All Kinds Of People

Burt Bacharach

Tall kind of people Should be together With small kind of people Should get together And talk to each other

All kinds of people Should reach out And help one another

Old kind of people Should try to listen To young kind of people Should try to listen And comfort each other

All kinds of people Should reach out And help one another

Light kind of people Should feel compassion For dark kind of people Should feel compassion And care for each other

All kinds of people Should reach out And help one another
