Shit Like That

Butthole Surfers

I keep seeing cloth in my mirror Which one? My stomach hurts so bad I could die I'm moving into a neighborhood I can't stand The sky is changing colour There's a metallic paste in my mouth It's been a great winter Everything went sour Shit like that Shit like that Shit like that Shit like that They cut me off at the clinic I had to fight another doctor I found him in the yellow pages Maybe I'm bi-polar Shit like that Shit like that Shit like that Shit like that The sky is changing colour There's a metallic paste in my mouth It's been a great f**king winter Everything went sour Shit like that Shit like that Shit like that Shit like that
