

# Goodbye

Byron Cage

As much as this hurts I have to let you go  
I wanted to still say yes but I gotta say no  
I admit I've been down this road before  
And I wanted to let you in  
But I gotta close the door

I really wish things could gone another way  
But the painful memories of my past  
Makes me have to stand and say

Oh oh oh  
Its a brand new season  
Oh oh oh  
Its a brand new day  
Oh oh oh  
I'm no longer affected  
Oh oh oh  
By what you do  
Oh oh oh  
I guess that I should thank you  
Oh oh oh  
For opening my eyes  
Oh oh oh  
I'm looking for my future  
And it looks better for my life  
Goodbye

I'm over your opinion  
Your hurt and your lies  
I believe in what you say  
When you see me through his eyes  
Victorious and more than a conqueror  
Is who I am  
So I bid farewell to the ones  
Who could never understand

Sometimes this life has cost me tears  
But the bigger one still lives in me  
Which is the reason I'm still here to say

Oh oh oh  
Its a new season  
Oh oh oh  
Its a brand new day  
Oh oh oh  
I'm no longer affected  
Oh oh oh  
By the things you do  
Oh oh oh  
I guess that I should thank you  
Oh oh oh

For opening my eyes  
Oh oh oh  
I'm looking toward the future  
And it looks better for my life.  
I gotta say no

Goodbye

Oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh

I don't need you in my life

Oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh

Goodbye

Listen

Gotta move on with my life

Stand up give it another try

Say goodbye to what had me bound

Fully embarrassed who loves me now

All the hurt and guilt and shame

All the ones who tried to damage my name

For all the ones who smiled in my face

But talked about me when I walked away

To all the haters that want to tear you down

And the trouble wants to keep you bound

I get joy every time I think about

That I am his and that there is no doubt

You don't have the power your not in control

You didn't die for me you didn't save my soul

Even though you thought that I can never take it

Say what you want I still know I'm going to make it

Oh oh oh

Its a new season

Oh oh oh

Its a brand new day

Oh oh oh

I'm no longer affected

Oh oh oh

By the things you do

Oh oh oh

I guess that I should thank you

Oh oh oh

For opening my eyes

Oh oh oh

I'm looking toward the future

And it looks better for my life.

I gotta say no

Goodbye

Oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh

Goodbye
