

Invitation

Byron Cage

[Verse:]

We anticipate Your arrival,
Your anointing, Your deliverance in this place.

Your power, Your healing,
Your mercy, we invite You in.

[Chorus:]

Come into this place,
lead us with Your grace,
we invite You in.

[Bridge:]

Oh, Holy, Lord, God Almighty,
we will give You praise.

[Vamp:]

Come on, move freely,
You are here in this place.

Master enter in,
You're welcome into our hearts.

[Ending:]

Holy, Lord, God Almighty,
we will give You praise.
