```
[Verse:]
We anticipate Your arrival,
Your anointing, Your deliverance in this place.
Your power, Your healing,
Your mercy, we invite You in.
[Chorus:]
Come into this place,
lead us with Your grace,
we invite You in.
[Bridge:]
Oh, Holy, Lord, God Almighty,
we will give You praise.
[Vamp:]
Come on, move freely,
You are here in this place.
Master enter in,
You're welcome into our hearts.
[Ending:]
Holy, Lord, God Almighty,
we will give You praise.
