

# Rain On Me

Byron Cage

[Chorus:]

You are King of all Kings, Lord above all,  
God of my praise, You are my song.  
I'll praise you with my every breath,  
glorious God, in You I rest.

[Verse 1:]

Great is the mercy of you oh God  
I honor your presence in this sanctuary.  
I will exalt and I'll lift Your name high,  
allow your blessings to fall.

[Chorus]

[Verse 2:]

Lord fill this temple with mercy and love,  
Allow it to flow freely here in my heart  
My soul is thirsty for drops from you Lord,  
Allow your blessings to fall on me.

[Bridge:]

From this time forth and forevermore  
(I promise I'll) bless your name, oh.

From this time forth and forevermore  
bless your name, oh God, oh God

[Vamp:]

Lord, shower blessings in this house,  
let it rain on me.

Pour out Your spirit in this house,  
let it rain on me.

[Vamp 2:]

Send it down, Your power,  
Your power, Your power.

[Vamp 3:]

Send it down

Oh God, shower blessings in this house,  
let it rain on me.

Pour out Your spirit in this house,  
let it rain on me.

[Vamp 4:]

Rain on me, rain on me,  
rain on me, rain on me.

Rain on me, rain on me,  
rain on me, rain on me.

Yes, on me, rain on me,  
rain on me, rain on me.

Rain on me, rain on me,  
rain on me, rain on me.

Rain on me, rain on me,  
rain on me, rain on me.

[Ending:]

Oh God, shower blessings in this house,  
let it rain on me.
