Thankful

its because I'm thankful, thankful and you see me dancing around and you're wondering why (It's because I'm thankful) it's because I'm thankful For when I think about your goodness And all the ways you've made for me I did nothing to deserve it It's just you keep blessing me And without your tender mercy I don't know where I would be Makes me say I'm thankful, (to everything you've done Jesus) th ankful I'm thankful (anybody in this room tonight) It's because I'm thankful (listen here) When I remember where I was and where I am right now It makes me say I'm thankful, thankful (listen) The lord lifted my hands when I felt like throwing in the towel Lord that's why I'm thankful (lord that's why I'm thankful) Cause you were not there when my life was hurting but somehow g od he brought me though (yes he did) And what the enemy meant for my evil god you turned it around f or my good And there never was a moment when you left my there alone Ooo that's why I'm thankful (any thankful people in this room t oday?) thankful (I'm so thankful) it's because I'm thankful (For the times you've stood by me) for the times you've stood b y me (When all around) when all around I walked away And the sins I committed against you Jesus Because of the blood lord you forgave me (Thank you lord) thank you lord for every blessing, and new mer cy every day Thankful (yes lord I am) thankful (I need to know how many thankful people are in this room can s ay I'm thankful) (If you're really thankful come on someone tell him again) it's because I'm thankful, thankful (Come on tell him) it's because I'm thankful Thankful [13x] It's because I'm thankful

When you see me and tears are falling from my eyes

Byron Cage
