

Spring Is In The Air

BZN

The spring is in the air
I'll see lovers everywhere
I'm singing a song
I won't do anything wrong

But now you can see me
Why did you treat me
And make me feel this way
Lalala lalalalalala lalalalalalala lalalalalala lala
Yes I can be a loving man
And I will do everything I can
Yes I can be a loving man
And I will do everything I can

The spring is in the air
I know there's a love to share
Maybe here or there
It could be everywhere

But now you can see me
Why did you treat me
And make me feel this way
Lalala lalalalalala lalalalalalala lalalalalala lala
Yes I can be a loving man
And I will do everything I can
Yes I can be a loving man
And I will do everything I can

But now you can see me
Why did you treat me
And make me feel this way
Lalala lalalalalala lalalalalalala lalalalalala lala
Yes I can be a loving man
And I will do everything I can
Yes I can be a loving man
And I will do everything I can
Yes I can be a loving man
And I will do everything I can
Yes I can be a loving man...
