And I surround myself with only gangsta niggas  
We be on the streets in the grey or blue on the smash  
Dippin on the look off of crack  
My homies got a couple birds locked up in the stash  
Snitches spreadin through the hood like rash  
Be like me and do with it off  
And you could be a ghetto millionaire like me and my doggs  
We don't take it away quesh  
Especially fuckin around with a bitch

Shot gun blasts are heard  
When I rip, dip, flip, slip and swerve  
Through the hood in the muthafucking drop top thangs  
I'm bangin G Thang once again  
My clip, my glock, I click it, I cock it  
Got my heat in my pocket, I blast like a rocket

While you moving from the side of my heat  
I'm never too big to say hello in the ghetto  
Niggas spit hot metal, keep your foot on the pedal  
I'm from the east side of the LBC  
Where the bitches quick to set a young nigga up baby  
Never let a bitch play you  
>From the streets to the sweets make that bitch pay you, and obey you  
Who said the game was fair
