Huh say man

It seems like they don't want a young nigga to get rich
Make money like we ain't supposed to leave the ghetto
But uh

You know we was dealt some bad cards but
You know
We gotta deal with it
Life's hard so lets show em show em what's up

My gate way tuh hell seems like its constantly open The reaper is callin' so I'm constantly smokin' See-Murder ain't gonna die in vein My ghetto ties got me livin' my life in pain See the world knows we gonna be thugs forever You can take me out the ghetto But you can't make it better See the status of your money done changed But the status of your danger remains the same I need to clear my head of these evil thoughts And teach magnolian' gateway the shit I was taught Take a ride wit me nigga to eternity And watch you live tuh see anotha century Life's a bitch who do you trust I put my faith in my glock Cause I know its gone bust I used to think the hood was cool But my ghetto ties keep my checkin' in my rearveiw

Who do you trust?
My ghetto ties got me trippin'
And life's a bitch
They can't stand to see a young nigga get rich
I was thrust some bad cards
Became a thug with no love cause life's hard

Who do you trust?
My ghetto ties got me trippin'
And life's a bitch
They can't stand to see a young nigga get rich
I was thrust some bad cards
Became a thug with no love cause life's hard

Lord control me
You know me
These cards I got to play em
My life is like a game
I'm up from a.m. to a.m.
My donner AK hem him
If he don't have none of my paper man
If I let him live
He might take me for a faker
He might try to do a jack and that might cost me my life
If you ever jack its real nigga
You best kill me or pay the price
Ain't nuttin' I ain't fallen behind
No street machine tell me what you seen

Then tell a nigga about some stoned ass

Left the murder scene disguised in army green with a infra beam

Own self tryin tuh gum nigga run as soon as he heard the blast fool one

He didn't run tore his ass up with a quick fast sight
