

## Taking a Look

Cain's Dynasty

I take a look at the past  
In the quest of my life  
I take a look at my sins  
Digging in my soul...

Which is the meaning  
Of this nightmare  
Which is the reason  
Of this existence

But I only know  
That I can't carry on...  
I can't carry on  
Without your blood!

Where are my friends now?  
Where are those things by which I was believed in the past?

I take a look at the ashes  
Of my life one more time  
I spent the time with a hope,  
To see the sun

Everything finishes  
But I go on...
