Ruby, Don't Take Your Love to Town

You've painted up your lips And rolled and curled your tinted hair Ruby are you contemplating Going out somewhere The shadow on the wall Tells me the sun is going down Oh Ruby Don't take your love to town

It wasn't me That started that old crazy Asian war But I was proud to go And do my patriotic chore And yes, it's true that I'm not the man I used to be Oh, Ruby I still need some company

Its hard to love a man Whose legs are bent and paralysed And the wants and the needs of a woman your age Ruby I realize, But it won't be long I've heard them say until I not around Oh Ruby Don't take your love to town

She's leaving now cause I just heard the slamming of the door The way I know I've heard it slam 100 times before And if I could move I'd get my gun And put her in the ground Oh Ruby Don't take your love to town

Oh Ruby for God's sake turn around
