

Waiting

Cake

So we think that we're important
And we think that we make sense
And we think there's something better on the other side of this
fence
And you can soak your bread in gravy
You can soak your bread in soup
But the car that you are driving doesn't really belong to you
So you know you'll always be waiting
Always be waiting
For someone else to call
Yeah you know you'll always be waiting
Always be waiting
I say always be waiting
And you can soak your bread in water
You can soak your bread in wine
It can seem like you are living like you're having a real good
time
And you can do it to your conscience
You can do it all the time
You can do it with a vengeance in the morning after nine
But you know you'll always be waiting
Always be waiting for someone else to call
Yeah you know you'll always be waiting
Always be waiting
I say always waiting
I say always be waiting
