```
I wake up in flames,
like everyday with my heart in my hands,
I wake up in flames,
say my name and I will rise again,
I will rise again - I will kill again, I will...
say my name and I will kill again
I wake up in flames,
like everyday with my heart in my hands,
I wake up in flames,
say my name and I will rise again,
Here is my little secret,
stay back or I will kill... kill kill
I promised you my blood,
I gave you my life,
but you threw it all away
Go, run flee
Go, run, flee - faster...
I wake up in flames
like everyday with my heart in my hands
I wake up in flames,
Say my name... again
Here is my little secret,
stay back or I will kill... kill kill
```
