

# Candy

Cameo

It's like candy, I can feel it when you walk  
Even when you talk it takes over me  
You're so tender, I wanna know  
Can you feel it too just like I do

This stuff is starting now, It's the same feeling  
I always seem to get around you  
There's no mistaking, I'm clearly taken  
By the simple mere thought of you, oh

This stuff is starting now  
This stuff is starting now  
This stuff is starting now

My eyes roll in my head, I toss and turn in my bed  
In the morning when I think about you, yes I do  
Simply put, you're the reason why  
Even though I'm real shy, real shy

I attempt to look my best for you  
Indeed I do, just for you  
'Cause you affect me, fascinate me  
I thank heaven for the things that you do

It's like candy  
You sure are sweet, sweet!  
You're so tender  
You're taking my appetite, but it's all right

(It's like candy)  
Ooh, vanilla! Oh, chocolate!  
You look real nice, wrapped up tight  
(You're so tender)  
You're giving me a heart attack  
It's the kind I like

It's like candy  
You're so tender

You're like a brand new feeling  
In a special way, a surprise package  
On a bright clear sunny day  
(You're so tender)  
And wrapped up tight, so good, so good

Strawberry! Raspberry! All those good flavors!  
Violets and gumdrops, that's what you're saying to me, oh  
Sweet candy, candy  
(It's like candy)  
Sure seems like good candy to me, oh baby, oh baby

You're so tender  
It's like candy  
You're so tender  
You're sweet

It's like candy

You're so tender
