Can

No one can talk sense into a crazy man,  
No one can talk sense into a crazy man,  
No one can talk sense into a crazy man.

Come near and you see  
You are out and you're free.  
Don't look back, keep your head up  
Watch your step when you sleep.

No one can talk sense into a crazy man,  
No one can talk sense into a crazy man.

No, talk sense into a crazy man,  
No one can talk sense into a crazy man.

Don't look back, keep your head up  
watch your step while you sleep.  
Watch the future, I am patient,  
Watch the future, I am patient.
