

Sing Swan Song

Can

Shaking her shimmer like you buzz,
They soothe to the sing swan song.
Shaking her cold hand to hear
You've been just trhe drunkly hot bowls.
She's sucking having game but happy
As the days run.
Shaking her shimmer like you buzz,
They soothe to the sing swan song.

They soothe to the sing swan song.
Shaking her cold hand to hear
You've been just trhe drunkly hot bowls.
She's sucking having game but happy
As the days run.
