

# Passenger

Candice Glover

Sharpest glass from a broken bottle  
Lot of circles and an opening  
You can't see it but you sure can feel it  
Like shadows coming over you

As clear as the ocean water  
As bright as it's so much blue  
You put my dreams in color  
I can't lie cause you're my truth

And my everything is you  
You are my everything  
You give me the melody  
I sing what you give to me

I'll be your passenger  
I'll go where you want me to  
I'll let you navigate  
Just let me ride with you

I'll be your passenger  
I'll go where you wanna go  
If you show me the way  
Just lead and I'll follow  
I'll follow  
I'll follow

On the days when I'm feeling lonely  
Could you shower me with your tears?  
And paint a rainbow in the sky just for me  
Just to let me know you're still there

Your love is my religion  
That's the only thing that I believe  
It's never hard to make this decision  
Everywhere I go I take you with me

Cause my everything is you  
You are my everything  
You give me the melody  
I sing what you give to me

I'll be your passenger  
I'll go where you want me to  
I'll let you navigate  
Just let me ride with you

I'll be your passenger  
I'll go where you wanna go  
If you show me the way  
Just lead and I'll follow

Wherever you go I'll follow you  
I'll be your passenger  
I'll do anything to follow you  
Wherever you go  
I'll be your passenger, yea yea

I'll close my eyes and I'll trust you  
Take me wherever you want me to go  
And I'll go there  
I'll go there  
Even where the eyes can't see  
As long as you're with me

I'll be your passenger  
I'll go where you want me to  
I'll let you navigate  
Just let me ride with you

I'll be your passenger  
I'll go where you wanna go  
If you show me the way  
Just lead and I'll follow
