Spit a hot sixteen and my ten, take it up a notch, then
Lost everything when I'm locked in
You in the kill zone, boxed in
Tried to play jump-rope
With skeets on and got dropped when you hopped in
The last mohican, smoke you in the first season
You don't speak it but it's no secret
Peep it, you light weight like rice cakes
Anybody under twenty-one to touch the microphone is mic bait
Hungry niggaz start to get type faced, that's when the fight breaks
A sixty second rhyme is a nice pace
Work a nigga out 'til he spit out white paste
Tell him he could hide the proof on his face with night shades
You looking for a battle, you came to the right place
This is Mic Club and over here I'm the mic ace
