

# Remember Woodstock

Canned Heat

Remember Woodstock, it was not so long ago  
Remember Woodstock, it made history as we know  
Now we're back together, When we're back into the flow  
Do you remember when, Do you remember when, Do you remember when  
Remember Woodstock, three days of music peace and love  
Remember Woodstock, sun was smiling from above  
Another generation, but still the symbol of the dawn  
And all feel so good, so good

Remember Woodstock, Jimmy, Janice and Keith were there  
Remember Woodstock, don't forget  
We're going up the country  
We've got music left to share  
And here we are again

Remember Woodstock, it was not so long ago  
Remember Woodstock, it made history as we know  
Now we're back together, then we're back into the flow  
Where all the come  
Come back to Mother Earth, oh yeah
