## **To Decompose**

## **Cannibal Corpse**

Cadaver filled carcasses flood the land Methodically emptied of bone and blood Left to be one with the dirt again To decompose
It wall will end in the dirt again

He starts with the draining of liquid mass His victims lie helpless and wide awake Bodies are shriveled to skeletal form To decompose Victims die helpless while siphoned awake

Sacrificing mortal beings never to subside Savage beatings pulverized and no one heard the cries Taking all the innards out of every single corpse Decomposing slaughtered waits to rot

Cadaver filled carcasses flood the land Methodically emptied of bone and blood Left to be one with the dirt again To decompose It will all end in the dirt again

Left to be one with the dirt again It all will end in the dirt again Left to be one with the dirt again To decompose It all will end in the dirt again

Sacrificing mortal beings never to subside Savage beatings pulverized and no one heard the cries Taking all the innards out of every single corpse Decomposing slaughtered waits to rot.
