

# Be Healed

Canton Jones

[Verse 1:]

He was wounded for our transgressions  
He was bruised for our iniquity  
The chastisement of our peace was upon Him  
And with His stripes we are healed  
Bless the Lord oh my soul  
And forget not all His benefits  
Who forgiveth all my iniquities and  
Who heals all my diseases

[Chorus:]

In Jesus' name be healed  
If you have faith yeah, be healed  
It's yours, it's yours, be healed [x2]

[Verse 2:]

I believe that You healed the blind man  
And I believe that You cleansed the ten  
I believe that You made the lame walk  
And I believe that You raised the dead  
And I believe You're the cure for cancer  
And You can heal HIV and AIDS  
I believe that You can do all things  
Cause by You all things were made

[Chorus:]

In Jesus' name be healed say  
Back pain, heart disease  
No matter what the problem is be healed  
Migraine headaches, asthma be healed

[Bridge:]

Now, just receive it  
I need you to stretch your faith  
It's your now, just believe it  
Nothing is impossible, No  
Just receive it, now unto Him that is able to do  
Exceedingly, abundantly above all you can ask or think  
I believe it in Jesus name

[Chorus:]

Be healed, be healed  
Arthritis, high blood pressure be healed  
Seizures, deafness be healed  
Blindness, sickle cell be healed  
Hey, just receive it  
He's still a miracle worker  
He's still an awesome God  
Just like the woman with the issue of blood  
Just like He healed the blind man  
Just like he raised the little girl from the dead  
He can heal you, sickness don't have to kill you  
With God, you can receive it  
I dare you receive it by faith  
It's yours, hallelujah, yeah  
It's yours, no matter what the problem is  
He can make a way [x3]

No matter what it is, eh  
Somebody say, be healed  
Yeah, be healed  
Now unto Him that is able  
To do exceedingly above all you can ask or think  
Be healed, hallelujah  
He can raise the dead, got all power in His hands  
In the name of Jesus be healed
