

# Dance In The Spirit

Canton Jones

[Verse 1:]

Dance! I'm feelin' so high that it's amazin'  
I'm drunk in the spirit just like King David  
I'm gigglin' cause it feels so good  
Man, I will not stop this if I could  
I'm staggerin' and I ain't drunk no liquor  
I'm loaded and I ain't got no pistol  
I'm movin' and groovin' up in this trance  
And you would too if you would just dance

[Chorus:]

Dance in the spirit  
Dance till I hear you say you can feel it  
[x4]

[Verse 2:]

The spirit I feel it, it's got me open  
If the spirit is wet then man I'm soakin'  
I tasted and saw that it was sweet  
Cause it made me dance with even no beat  
And if you can't feel this, I don't know why  
Shh! Please stop talkin' you're blowing my high  
It's cooler then ice and hotter than fire  
I'm feelin' so good man, I'm bout to fly

[Chorus:]

Dance in the spirit  
Dance till I hear you say you can feel it  
[x2]

Dance with me  
Come on, dance like David  
[x4]

[Chorus:]

Dance in the spirit  
Dance till I hear you say you can feel it  
[x4]
