

# Necessary

Canton Jones

[Verse 1:]

My praise is always necessary  
It comes first not secondary  
And I'm bold, He saved me and made me whole  
Now I love him  
When it comes to praise, gotta let go  
Can't hold back and I can't say no  
He deserves all my praise  
I will praise him the rest of my days  
Lord God, Almighty  
I praise you, You're holy  
Yeah, You're God of all nations  
And I make this declaration

[Chorus:]

Praise is necessary, Praise is Necessary  
Praise is always necessary [x3]  
Praise is... my, my, my, my, my

[Verse 2:]

Yeah, praise You for the things You've done for me  
Yeah, now let's celebrate, got victory  
Now I can praise Him in the morning, praise Him in the noonday,  
praise Him all through the night  
And I will never stop lifting His name higher  
Every single day because He set my soul on fire  
Move these shackles like Mary, Mary  
And know my praise is ne-ne-ne-ne-ne-necessary

[Chorus]

[Verse 3:]

Oh, praise is necessary,  
No matter what, it's necessary  
In any situation, it's necessary  
In any circumstance, it's necessary  
When I'm happy, it's necessary  
When I'm sad, it's necessary  
When I'm mad, it's necessary  
Praise is necessary

[Chorus:]

Praise is necessary, Praise is necessary  
I lift my hands cause you deserve it  
I lift my voice, I won't withhold my praise
