

# Don't Be Proud

Cappella

Give me emotion  
Give me emotion  
Emotion

Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be prou-oud

You tell me why  
When you are with me  
You want too long  
All the things I do  
I try and try  
And you know it's true  
To show you I need you  
What you want to believe

Give me emotion  
Give me emotion  
Give me emotion  
When you are with me

Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be prou-oud

I know your pride  
If I'm helping you  
I don't know how  
You can things to prove  
And there is why  
You can still feel free  
Your rhythm comes to try  
Trying it with me

Give me emotion  
Give me emotion  
Give me emotion  
If I'm helping you

Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud

Don't be prou-oud

Give me emotion  
Give me emotion  
Give me emotion  
Emotion  
Emotion

Give me emotion  
Give me emotion  
Give me emotion  
Emotion  
Emotion

Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be proud  
Don't be prou-oud
