They're killing the kids in our schools
Something's wrong
The man on the news is confused
Something's wrong
The talking heads will argue
The philosophers will yack
And then the politicians take our questions
But give nothing back

Because the answer is not turning your leaf The answer is not some new world relief The answer is easy for those who are serious Answer is... Jesus Period

Profanity reigns in the minds of our young
Something's wrong
We've got babies having babies
Their conscious is numb
Something's wrong
We've got suicides and homicides
And 1-900 lines
And then we find our pills and drugs and pills
And can't get satisfied

The answer is The answer is Jesus Period

If you're searching for solutions to define the Right and wrong
You better sneak a look into the book
That's been here all along
