

Secret Love

Carola

I close my eyes and I imagine
That I'm holding you so close
But it's all just in my mind
Still you're the one that I always wanted

But I know it's make believe
That you'll ever be with me
Cause you belong to someone else - I know

So you are my secret love
It's you I dream of
And sometimes I cry when I think of you
And I - I need you so much
I long for your touch
But I know that you will always
Be my secret love

I wish that we could be together
But I know it's in my mind
And if I had you for a lifetime
There'd be no mountain we couldn't climb

So if I dream that me and you
Hag a love that was so true
Do you believe in dreams come true - I do

So you are my secret love...

I can never let you know - I can never let it show
How I want you - how I need you
I have to keep my secret safe
Cause it would be out of place
To try to make you mine, all mine

So if I dream that me and you
Hag a love that was so true
Do you believe in dreams come true - I do

So you are my secret love...
