

Just Like a Pill

Cascada

I'm lyin' here on the floor where you left me
I think I took too much
I'm crying here, what have you done?
I thought it would be fun

I can't stay on your life support
There's a shortage in the switch
I can't stay on your morphine
'Cause it's making me itch
I said I tried to call the nurse again
But she's being a little bitch
I think I'll get outta here
Where I can

Run as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of makin' me better
You keep makin' me ill
You're makin' me ill

Run as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of makin' me better
You keep makin' me ill
You're makin' me ill

I haven't moved from the spot where you left me
This must be a bad trip
All of the other pills, they were different
Maybe I should get some help

I can't stay on your life support
There's a shortage in the switch
I can't stay on your morphine
'Cause it's making me itch
I said I tried to call the nurse again
But she's being a little bitch
I think I'll get outta here
Where I can

Run as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of makin' me better
You keep makin' me ill
You're makin' me ill

Run as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of makin' me better

You keep makin' me ill
You're makin' me ill

Where I can run as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of makin' me better
You keep makin' me ill
You're makin' me ill
