Remember the day
There was a sign
It was the time
To take me away to your arms

I heard your voice you called my name A single touch Would stop my pain
I feel like you in everything i do

Wouldn't it be good to be in your shoes Even if it was for just one day Wouldn't it be good if we could wish ourselves away

Wouldn't it be good to be on your side Grasses always greener over there Wouldn't it be good if we could live without a care

The times passing by
I feel like you
I always do
Youre my place to hide
I don't know why
Still hear your voice
Still feel the same
Single kiss can stop the rain
So close to you in everything i do

Wouldn't it be good to be in your shoes Even if it was for just one day Wouldn't it be good if we could wish ourselves away

Wouldn't it be good to be on your side Grasses always greener over there Wouldn't it be good if we could live without a care

Wouldn't it be good to be in your shoes Even if it was for just one day Wouldn't it be good if we could wish ourselves away
