

Just Another Day In The Fla

Casey Jones

I'm breaking out.
These walls can't hold me any longer.
Days pass me by and I got stronger
with every breath I ever took.
I doubted this world as a whole.
I refuse to live in a world that refuses me.

I refuse to live a life that isn't right for me.
I refuse.
I'm breaking out.
When beauty comes I'll shove it away
and try to make it to another day.
I refuse.
