

## Two Days Old

Cash Cash

So I'm to blame  
The reason why you left him a mess and without a sigh  
He was first I was next but enough to make you leave his side  
But do you know?  
Do you know what happens next?  
As he's torn apart left thinking she got

On a plane and they're miles apart  
Dug a little hole then she buried his heart  
With the one she trusts, and they're on the run

Tears fall like the rain  
I feel a little bad when think of the pain  
That you put him through  
Am I such a fool such a fool? Oh.

Yeah ohhh.

Yea here we are,  
and every line I say seems to come out right on time  
It's a first none the less just enough to  
keep you where you are

But will it change? Will I be the next one hurt?  
Or the next one to complain that she got

On a plane and they're miles apart  
Dug a little hole then she buried his heart  
With the one she trusts, and they're on the run

Tears fall like the rain  
I feel a little bad when I think of the pain  
That you put me through,  
Am I such a fool?  
Such a fool, oh?

She'll move on  
She'll move on  
What is she waiting for?

She got on a plane and they're miles apart  
Dug a little hole then buried my heart  
With the one she trusts, and their on the run  
Tears fall like the rain  
I feel it pretty bad when I think of the pain

That you put me through, am I such a fool? Oh.

So what am I waiting for?  
Yea when she keeps running,  
she keeps running.

She's moved on, she's moved on  
She's moved on, she's moved on.
