

Missing You

Cashless Society

I'm sitting here at the edge of my bed
I'm singing the blues and I hope that you come back to me
My heart is bleeding and I'm crying in my beer
Never thought that I would miss you so much
And I don't wanna die
But this feeling's killing me
And I don't know what to do
Missing you, missing you
And I hope you miss me too
Missing you
And I don't know what to do
I'm like fire and you're the air and I need you to burn
I miss your sweet voice singing our songs, the way you smile
And the sparkling in your eyes
Wanna hold you tight
Wanna kiss you again
And I don't wanna die
But this feeling's killing me
And I don't know what to do
Missing you, missing you
And I hope you miss me too
Missing you
And I don't know what to do
