

Tame

Cashless Society

Today it's something different
It's not about being free
The air is filled with my desperation and you stuck here with me
Today it's something different
I don't know what it is
It seems that all my passion fades away with every kiss
And all I wanna do is getting home with any wave
Cause I got a lot of bills and now it's time for you to pay
Hey, yeah!
It seems that I am stranded here
And the person I should blame is oh so tame
Hey, yeah!
I think I'm running out of tears
And the person I should blame is oh so tame
