[Hook - Cassidy (Woman)]
Lift up ya shirt, let me see ya bellybutton girl
You got a belly ring, show ya bellybutton girl
(I'm not impressed by the money and the bling
Show me respect and then I'll show you my belly ring)
Lift up ya shirt, let me see ya bellybutton girl
You got a belly ring, show ya bellybutton girl
(Boy you my type and I like to do my thing
Treat me right, I'll show you what's under my belly ring)

[Verse 1]
Ain't nothing funny bout this money I be touching girl
I get the cheese, if you need it, then it's nothing girl
You might not know me, but I know if we was fucking girl
You would get blazed like the haze I be puffing girl
Kissing and hugging girl, licking and sucking girl
Ya body is the truth and you cute as a button girl
And you know I sold rock and I be hustlin girl
The pot I got on my stove top is not stuffing girl
You might not think that I'm the one to put ya trust in girl
But I won't break ya heart for nothing, I ain't bluffing girl

[Hook]

[Verse 2]
I'm the kid from the telly with R. Kelly man
And I'm a ass, I'm a titty, I'm a belly man
I play them low like when I'm sittin on Pirelli's man
I'm blowing up so they be blowing up my celly man
Doing they gully dance, showing they belly man
It can't be jam because they shake it like it's jelly man
And it's some girls that probably never even wanted one
Till they heard the song and then they went and got they stomach done
Ya belly ring on bling, let ya belly floss
Just go bezerk, lift up ya shirt, show ya belly off
It's eye candy for the guys and it's fly mami
And you might like it if you try, don't be shy mami

[Hook]

[Verse 3 (Woman)]
And I know it some women who don't have a belly ring
It's okay, ay, ay (okay, ay, ay)
Cause you can go to the store and get yourself a belly ring

On the radio, the TV, even the press
Women get their bellybuttons pierced, even they breasts
You supposed to cloth yourself, not expose yourself
But when this song come on, they can't control theyself
They be doing they thizzle y'all, making it wiggle y'all

I got 'em shaking and bouncing it like the dribble y'all
You know the izzle y'all, I'm off the hizzle y'all
For shizzle my nizzle, I love my nigga Swizzle y'all
Cause he the cat that make the tracks, I'm the cat that's rapping
