

Alright

Cast

I guess I'm alright
Guess I'm alright
I guess I'm doing fine
Guess I'm doing fine

Do you think I'd miss you
Do you think I'd care
Do you think I'd lay down and die

You never even tried
You never even tried

Now it's about time
It's the right time
If you willed your mind
You will your mind

To fly on swift now
On your journey home
And you fled the nest now
And you have flown

Ain't nothing you don't know
Ain't nothing you don't know

Look out to sea
And tell me what you came here for
Is it what they say
Or is there more than you can know
And if so
Which way am I to go
Which way am i to go

I guess I'm alright
Guess I'm alright
I guess I'm doing fine
Guess I'm doing fine

Can't see no reasons
For not pushing through
So make like the wind that's blowing you

Ain't nothing you can do
Ain't nothing you can do
Ain't nothing you can do
Ain't nothing you can do
