

Four Walls

Cast

These four walls are destined to stay
They say I'm guilty and the guilty must pay
But all I'm asking is to have a my say
Do you think I'll ever get out?

Will I ever get out of here?
Will I ever push down my fear?
Will I ever see through my tears?
Will I ever get out of here tonight?

The sands of time, them falling right through my hands
Can't make no sense and I can't make no plans
All I'm askin is to lend me your hand
Come on and help me get out

Will I ever get out of here?
Will I ever push down my fear?
Will I ever see through my tears?
Will I ever get out of here tonight?

So at last I'm feeling the pain
Can't take the weight and I can't take the strain
I can't see no future and I can't see no gain
Looks like we never get out

Will I ever get out of here?
Will I ever push down my fear?
Will I ever see through my tears?
Will I ever get out of here tonight?

Well I guess I'll never know
I guess I'll never know
Free am I free to go
Free am I free to go
Well I guess I'll never know
I guess I'll never know
Free am I free to go
Free am I free to go
I don't know
