

Higher

Cast

I'm gonna resurrect it I'm gonna give it to yer I'm gonna celebrate it I'm gonna elevate yer

I need some confirmation Of a new sensation And it's a revelation But what I got to say is

Take me high, high, high, high, higher Take me high. high, high, high, higher

Got a big new spaceship Gonna beam me up in I'm gonna detonate it To a new dimension

I'm gonna levitate you I'm gonna redirect it I've got a good vibration I'm gonna give it to you

Take me high, high, high, high, higher Take me high, high, high, high, higher

Take me higher Take me higher Take me high

Take me high, high, high, high, higher Take me high, high, high, high, higher

Take me higher Take me higher Take me high

If you ever reach me Beyond the circumstances Like a burning comet Breaking out of trances It's an endless journey Through a sleepless night With a love that's burning Clean out of sight

Let the rhythm fall out Let the feeling flow in For you are never without When you let it begin

Take me high, high, high, high, higher Take me high, high, high, high, higher

Take me high, high, high, high, higher Take me high, high, high, high, higher

Take me high, high, high, high, higher Take me high, high, high, high, higher
