

Future Boy

Catherine Wheel

Yeah Yeah Yeah Yeah Yeah

With you up there on the screen
I'd be your future boy
My big eyed bird in the movies
I'd be your future boy
'Cause if that is what you need
A cinematic boy like me
Who'll come along and set you free
Don't fear superboy is here
And it feels good to me

Yeah Yeah Yeah Yeah Yeah

As the wisdom runs
A boy should know his limitations
But I've talked myself through less
Can I be your future pest
'Cause if that is what you need
A sycophantic boy like me
Who'll tell you things
You really don't need
Oh joy I'm your boy
And it feels good to me
Don't fear superboy is here
And it feels good to me
