

## Diarrhea Of The Mouth

### Cattle Decapitation

Fused duodenum to esophagus  
Inert maze of digestive tract  
Visceral/abdominal U-turn  
Diarrhea of the mouth  
Broken capillaries and tissue  
Combined with bile, hemorrhoids and feces  
Microscopic amoeba, single-celled juggernaut  
Regurgitation of shit and disease  
You are what you eat  
You are what you shit  
You are what you vomit
