

# How Did You Get Here

Celine Dion

I've been thinking about you  
More than I want to  
Spinning me around in this web  
Getting in my heart and my head  
Hanging on every word  
Pretending they don't hurt  
Wish you didn't make me so weak  
Every time I hear you speak  
But you do  
Yes, you do

I wasn't looking for love, I was comfortable  
How did you get here? (How did you, how did you)  
Tell me, who let you in  
Shook all my confidence  
How did you get here? (How did you, how did you)

Can't fight this feeling  
My heart's too revealing  
Even though it's making me a fool  
Can't tell love when it's tried or it's true  
You're the one pulling me close  
You're the one that I need the most  
I wish you didn't make me so weak  
Every time you're next to me  
But you do  
Yes, you do

I wasn't looking for love, I was comfortable  
How did you get here? (How did you, how did you)  
Tell me, who let you in  
Shook all my confidence  
How did you get here? (How did you, how did you)  
Ohh  
Ohh how did you get here?  
How did you? How did you?

How did you scale the walls to my heart?  
How did you know where to start?  
How did you get here?  
How did you get here?

How did you scale the walls to my heart?  
How did you know where to start?  
How did you get here?  
How did you, how did you?

I wasn't looking for love, I was comfortable  
How did you get here? (How did you get)  
Tell me, who let you in  
Shook all my confidence  
How did you get here? (How did you, how did you)  
Ohh  
Ohh how did you get here?  
How did you? How did you?  
Ohh  
Ohh how did you get here?

How did you? How did you?
