

# I Drove All Night

Celine Dion

I had to escape  
The city was sticky and cruel  
Maybe I should have called you first  
But I was dying to get to you  
I was dreaming while I drove  
The long straight road ahead, uh, huh

Could taste your sweet kisses  
Your arms open wide  
This fever for you is just burning me up inside

I drove all night to get to you  
Is that alright  
I drove all night  
Crept in your room  
Woke you from your sleep  
To make love to you  
Is that alright  
I drove all night

What in this world  
Keeps us from falling apart  
No matter where I go I hear  
The beating of our one heart  
I think about you  
When the night is cold and dark  
No one can move me  
The way that you do  
Nothing erases this feeling between me and you

I drove all night to get to you  
Is that alright  
I drove all night  
Crept in your room  
Woke you from your sleep  
To make love to you  
Is that alright  
I drove all night

Could taste your sweet kisses  
Your arms open wide  
This fever for you is just burning me up inside

I drove all night to get to you  
Is that alright  
I drove all night  
Crept in your room  
Is that alright

I drove all night  
I drove all night to get to you  
Is that alright  
I drove all night  
Crept in your room  
Woke you from your sleep
