This Is The Moment

Celtic Thunder

This is the moment This is the day When I send all my doubts and demons On their way

Every endeavor I have made-ever Is coming into play Is here and now-today

This is the moment This is the time When the momentum and the moment Are in rhyme

Give me this moment This precious chance I'll gather up my past And make some sense at last

This is the moment When all I've done All of the dreaming Scheming and screaming Become one

This is the day See it sparkle and shine When all I've lived for Becomes mine

For all of these years I've faced the world alone And now the time has come To prove to them I've made it on my own

This is the moment My final test Destiny beckoned I never reckoned Second best

I won't look down I must not fall This is the moment The sweetest moment of them all

This is the moment Damn all the odds This day or never I'll sit forever With the gods

When I look back I will always recall Moment for moment This was the moment The greatest moment Of them all
