

# I'm Da King

Chamillionaire

"Mixtape Messiah".....Da King is here nigga!

Ay what these other niggaz talkin', I don't believe that shit  
I'm the King cuz I said it and I mean that shit  
Ay I'm the king cuz I said it, I'm the king cuz I said it  
I'm the king cuz I said it and I mean that shit  
Ay what these other niggaz talkin', I don't believe that shit  
I'm the King cuz I said it and I mean that shit  
Ay what's so special bout him, he ain't all that, shit  
I set the city on fire and you seen that shit

Stupid you runnin' around like the Messiah isn't a force  
Then tell me how did my first album even get on The Source  
I was sittin' next to Pimpin' Ken, (was he pimpin'?), of course  
But I was thinkin' bout gettin' with Trina and tryna pimp me a Porsche  
I can't hand a nigga the rap game now cuz I'm usin' it  
Ain't a underground rapper gon' have it til' I through with it  
I don't burn bridges (nah), other rappers 'll ruin it  
I just jump over the bridge and pimp-slap em' for doin' it  
I'ma embarrass ya so bad, that ya label gon' say they know ya  
You's a good ass promoter, but the fat lady say it's over  
Mixtape Messiah 2 is the bullet I'm savin' for ya  
And I can pop trunk pumps on ya coffin' and raise it for ya (Weww!)  
And I ain't the only person who sick of ya voice  
I kill a rapper with one verse and the real niggaz rejoice  
But I was forced (do you feel any remorse?) of course  
That's why I'ma show up at his funeral and pop trunk on his corpse

Yeah, you'll never get on my level, no need to go get a ladder  
You better run when I come like a pitcher that hit the batter  
(You Paid In Full?), nah, but I got alot of respect for Hatter  
Even though niggaz be ignorin' my questions bout business matters  
Cat tell me to call Hatter, Madd Hatter said call Cat  
I call niggaz about some business, and I never get a call back  
I just wanted my songs back, but they act like I'm on crack  
To drop another Cham' & Paul, we ain't even on contract  
Parta' the game is that, I keep gettin' reminded daily  
Labels ahead 'll screw you, that's the business out of it baby  
Nigga was grindin' daily, but suspicions was kinda crazy  
I had to pretend like I was broke, just to get Paid In Full to pay me  
It's crazy, for the label with the reputation for actin' a ass  
Like Rap-A-Lot, what's the label that was always on time with cash  
Gave em' my price, they didn't try to make me go down a tag  
So for J.P., Tom, Rad, and Chief, it's done they ain't gotta ask  
Ain't a nigga who can persuay me to go back to House  
So I can hear Dike Jones tell me he got platinum in his mouth  
That nigga soft, he ain't never move no crack in the South  
Was in packagin' soft, and he said he stack more stacks then the Boss  
Sure you do, I hope that's not a story they told to you  
You need to pimp-slap that sick pup and maker who controllin' you  
You ain't runnin' NOTHIN'!, only you would go vote for you  
Cuz my pockets got more G's, then a G-Unit quotable  
G-G-G-G-G-Geez, you's a pee-on please  
Why is he here somebody please, tell this pee-on leave  
Air-condition on my wrist, I stay with free-on sleeves  
Ya stay on D, like defenders durin' three-on-three's  
My momma moved out the hood to a 5 bedroom home

Rasaq moved off to solo and got a lil' crib of his own  
Then I bought a Ninja bike and another whip on chrome  
My money long, I stand on top of the world and spit on Jones  
Your album, so what we heard you was comin' soon  
Yeah the song with Alicia Keys, or maybe you said it was Loon  
I can fit your crib inside my truck, and I'd still have leg-room  
Then I can park that whole truck inside my Master Bedroom  
Saw ya DVD you talkin' that ridiculous noise  
Sister got kids with baby cribs bigger then yours  
Danny DeVito duckin' down couldn't even fit through your doors  
You gotta be Kiddin' me BOY!, is you Kiddin' you SURE! (SURE!)
