

# Dear Life

Chantal Kreviazuk

Ah ah ah ah ah ah ah  
Ah ah ah ah ah ah ah

You'll never know how you run me down  
And I don't even need you, no  
And still you keep me holdin' on  
Just for dear life

Ah ah ah ah ah ah ah

If you live a loveless life  
Just blame it on me  
On the count of oblivion  
I'm guilty

Ah ah ah ah ah ah ah ah

No we've never been away from here  
So we'll try to lose ourselves again  
No we've never been away from here  
So we'll try to lose ourselves again

I'm over playin' with your massive ego  
Still I keep on holdin' on for dear life

Ah ah ah ah ah ah ah  
Ah ah ah ah ah ah ah ah

No we've never been away from here  
So we'll try to lose ourselves again  
No we've never been away from here  
So we'll try to lose ourselves again

When you're cold and under the covers  
Does it ever bother you  
Do you remember how warm the truth is  
How can you live without it

No we've never been away from here  
So we'll try to lose ourselves again  
No we've never been away from here  
So we'll try to lose ourselves again  
We've never been away from here  
So we'll try to lose ourselves again  
We've never been away from here  
So we'll try to lose ourselves again

Ah ah ah ah ah ah  
Ah ah ah ah ah ah ah  
Ah ah ah ah ah ah ah  
Ah ah ah ah ah ah ah ah  
Ah ah ah ah ah ah ah  
Ah ah ah ah ah ah ah
