What If It All Means Something

Chantal Kreviazuk

If I could do anything for you, believe me I would
Do you feel the same? Feel the same as me?
If I could be anyone for you believe me I would
I'm not ashamed not ashamed to be
Its hard for me to know sometimes I feel like letting go
But what if it all means something?
What if it all
What if it all means something?
What if it all
If I could go anywhere for you, believe me I would
I'd run away, I'd ran away,
I'd leave.
If I could fix everything for you, believe me I would
Do you feel the same, feel the same as me?
Its hard for me to know, well maybe I should just let go.
But what if it all means something?
What if it all
What if it all means something?
(I wanna know)
What if it all
Leave me alone
I'm falling
If I could do anything for you, believe me I would
Do you feel the same? Feel the same as me?
Its hard for me to know well maybe I should just let go
But what if it all means something?
(I wanna know)
What if it all
What if it all means something?
(I wanna know)
What if it all
Yeah what if it all means something, something, something
I know it all means something.
