

# Break the Rules

Charli XCX

Electric lights  
Blow my mind  
I feel alright  
Never stop, it's how we ride  
Coming up until we die

You catch my eye  
If you wanna fly  
I'm so alive  
Never stop, it's how we ride  
Coming up until we die

I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the disco tech  
Getting high and getting wrecked

I don't wanna go to school  
I just wanna break the rules

I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the disco tech  
Getting high and getting wrecked

I don't wanna go to school  
I just wanna break the rules

I'm such a star  
Queen boulevard  
Blaze through the dark  
Never stop it's how we ride  
Coming up until we die

I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the disco tech  
Getting high and getting wrecked

I don't wanna go to school  
I just wanna break the rules

Get my guitar  
Sunglasses on  
So light it up  
Never stop, it's how we ride  
Coming up until we die

I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world

Putting on our dancing shoes  
Going to the disco tech  
Getting high and getting wrecked

I don't wanna go to school  
I just wanna break the rules
