

## Dance 4 U

Charli XCX

Under your magic  
Under your magic in the night  
I'm twistin' time  
But I can never put up a fight  
You are like diamonds  
You are like diamonds in the night  
Ask me a question  
You know I'll do anything I'm hittin' the tides

Just stay  
Just stay awake  
Just lay  
Just lay for me

You know I can't dance  
You know I can't dance  
You know I can't dance  
But you want me to

You know I can't dance  
You know I can't dance for you  
Ain't what I do

You know I can't dance  
You know I can't dance  
You know I can't dance  
But you want me to

You know I can't dance  
You know I can't dance  
You know I can't dance but I'll dance for you

Body Electric  
Lost in our hyper fantasy  
I really feel it  
I'm moving both my arms yeah it's happening  
Lost all my feelings  
I don't really care who's watchin' me  
We're on a level  
If they don't like what we do  
Well they can just leave

You stay  
You stay awake  
You lay  
You lay for me

You know I can't dance  
You know I can't dance  
You know I can't dance  
But you want me to

You know I can't dance  
You know I can't dance for you  
Ain't what I do

You know I can't dance

You know I can't dance  
You know I can't dance  
But you want me to

You know I can't dance  
You know I can't dance  
You know I can't dance but I'll dance for you
