I'm a dreamer  
Step, step out the Beemer  
'Bout to do it big  
Stretch, stretch limousine-uh  
I'm a dreamer  
Step, step out the Beemer  
Angel in the clouds rain down, best believe it  
I'm a dreamer  
Step, step out the Beemer  
'Bout to do it big  
Stretch, stretch limousine-uh  
I'm a dreamer  
Step, step out the Beemer  
Angel in the clouds rain down, yeah

Beemer on Monday (Flex)  
Benz on a Tuesday (Benz, Benz, Benz)  
Lambo' on Wednesday (Lambo' on, Lambo' on)  
'Rari on Thursday (Flex with my friends)  
Thank God it's Friday (Thank God)  
Thank God it's flex on my haters, and ride day (skrtr, skrtr)  
Purple and yellow, I'm mixy (Mix it up)  
I need my exes to miss me (Need you to miss me up)  
'Member the days they would diss me (Diss me)  
I know they out tryna' get me (Now they wanna hit me up)  
'Member they said I wouldn't get it, I got it  
I went to go get it, I get it, I got it  
I went to go get it, I get it, I got it  
I went to go get it, I get it, I got it

Went to go get it, I get it, I got it  
Went to go sleep while I dream 'bout this money  
These boys tryna' hit me up  
But I'm on my job, so no, I'm not on it  
Bake, bake, bake, bake  
I'm not a chef, but I'm getting caked  
When I was ten, I was on my way  
Askin' my Daddy that I was gon' make it  
Independent in my whip like rrr  
In my baggy jeans, I'm pullin' up like skrtr  
Diamonds, diamonds on my wrist  
Charli, Charli, where you been?  
Yeah, this party's kinda shit  
Should we dip in your whip?  
Ahh

I'm a dreamer  
Step, step out the Beemer  
'Bout to do it big  
Stretch, stretch limousine-uh  
I'm a dreamer  
Step, step out the Beemer  
Angel in the clouds rain down, best believe it  
I'm a dreamer  
Step, step out the Beemer  
'Bout to do it big

Stretch, stretch limousine-uh  
I'm a dreamer  
Step, step out the Beemer  
Angel in the clouds rain down, yeah

Yeah, I'm an angel in the atmosphere  
Up in the penthouse, come and say my name  
But sometimes I just wanna disappear  
So then I spread my wings and fly away  
Yeah, I'm an angel in the atmosphere  
Up in the penthouse, come and say my name  
But sometimes I just wanna disappear  
So then I spread my wings and fly  
(Fly, Fl-fl-fly, fly)

I'm a dreamer  
Step, step out the Beemer  
'Bout to do it big  
Stretch, stretch limousine-uh  
I'm a dreamer  
Step, step out the Beemer  
Angel in the clouds rain down, best believe it  
I'm a dreamer  
Step, step out the Beemer  
'Bout to do it big  
Stretch, stretch limousine-uh  
I'm a dreamer  
Step, step out the Beemer  
Angel in the clouds rain down, yeah
