

# Rain

Charlie Straight

We were talking about our lives  
Different people, different lies  
We were laughing, we were mad  
It's too late now, go to bed

If tomorrow never comes  
We have seen it more than once  
We were singing in the dark  
You're a lightning, you're a spark

I realize  
It starts raining when she cries  
I realize  
It's a wonder, wonder, wonder  
in the sky

We were sleeping in the sea  
You were weeping next to me  
We were walking on the stones  
Barefoot children leaving homes

Go to bed now, have a rest  
I will always do my best  
I will listen to my heart  
Should have known you from the start

I realize  
It starts raining when she cries  
I realize  
It's a wonder, wonder, wonder  
in the sky
