

School Beauty Queen

Charlie Straight

Learn it all as soon as you can
Write it down into the sand
Back at school you were the one for me
Wish I knew where you have
gone, gone, gone, gone, gone, gone, gone, gone, gone

When I'm walking down the street
Looking for you
When I watch the couples kiss
That's what I wanna do
I don't know if you have changed
Since we went to school
In my mind you're still the same
You are still the

Beau-ooh-ooh the most beautiful girl that I've ever seen
Ooh-ooh-ooh Everyone wanted the school beauty queen
Ooh-ooh-ooh Where have you been, oh where have you been?
Ooh-ooh-ooh, school beauty queen

Say it all before it's too late
Don't let love , your love slip away
You won't see me in September any more
I don't know if you'll remember me at all

When I'm walking down the street
Looking for you
When I watch the couples kiss
That's what I wanna do
I don't know if you have changed
Since we went to school
In my mind you're still the same
You are still the

Beau-ooh-ooh the most beautiful girl that I've ever seen
Ooh-ooh-ooh Everyone wanted the school beauty queen
Ooh-ooh-ooh Where have you been, oh where have you been?
Ooh-ooh-ooh, school beauty queen
